# WHEN GOOD DEALS GO BAD

---

## As the adage goes... "Prevention is always better than cure"

NIFA accredited members have seen countless M&A's fall apart *after* the ink has dried on signed contracts.

That's where forensic accounting makes a difference.

Forensic accounting can help prevent and resolve deal disputes in M&A processes with the use of:

- Careful drafting of SPAs
- Consideration of dispute resolution clauses
- Engagement of dual-role professionals

Please click on the link below to discover more about forensic accounting, and how it can help prevent your good deal from going bad.
